

Company Overview

Event-Full Elements was created as a Division of the Junella Weiss Group. We have 4 Divisions that offer products and services to all of our valued customers:

1. **Events By J**-Event Design and Planning
2. **Weddings By J**-Wedding Design and Planning
3. **Promotions By J**: Promotional Products, Incentive Programs and Workshops
4. **Baskets By J**: Gift Baskets

With a background in Retail Sales, Promotional Items, Gift-ables and Event & Wedding Design, it just seemed fitting to put all that experience and resources our clients collectively into one main company with separate Divisions.

Junella Weiss is the Founder, CEO and Lead Designer.

As we are currently based out of Chestermere, AB, we are conveniently 10 minutes from Calgary, AB and within 20 min access to Calgary International Airport.

I had a passion as a young child to see people excel in everything they endeavored to do and to make a positive difference in the world around them.

I felt the effects of growing a business from ground level up with no resources and learned experientially things I now wish to educate on fellow entrepreneurs on so they can have the best level of education, information and success at their disposal.
